SPRING / SUMMER 2023

WE ARE CELEBRATING HOT SUMMER DAYS

Welcome to the van Laack Spring/Summer 2023 Collection.

The first sunrays are announcing the beginning of a new lightness of being. With the warm spring breeze slowly sneaking up on us we are excited to bring you our new Spring/Summer 2023 collection. Crafted from luxurious materials this exclusive selection is made just for you.

We have created a range of looks inspired by eccentric beach elegance with bright colors and soft linen look fabrics, perfect for celebrating those long, hot, summer days that are upon us. From modern and crisp to cozy and luxurious, this collection has something for everyone's taste.

The pieces designed at van Laack are made from premium fabrics that ensure comfort and durability even in hot weather. But don't fret, even if the temperatures are struggling to peak selected items are able to withstand the breeze

to keep you warm. No matter if you are looking for a light jacket or a knitted piece to layer — we got you.

In addition you will find floral prints as well as beautifully crafted lace accents which guarantee a unique look every time you go out. Every piece in the collection is designed to make you stand out while being fashionable and comfortable at the same time.

So go ahead take a look! Get ready to feel free and cheerful with the most exclusive luxury fashion pieces of the season and be sure to check out all of our latest pieces online at van Laack, or visit one of our many stores across the country.
